Parade Marshall: Bud Love

Bud Love and his tractor are well-known around Alberta Beach. Bud has been a part of the community for over 70 years, and an active community volunteer, for numerous organizations for more than 30 years. But Bud is likely best known for keeping the Beach and Ball-Diamonds in tip-top shape with his trusty Red Tractor. Bud also was a dedicated Village Councillor from 2017 till 2021, ending his time on Council as Mayor. Bud is "grateful to be able to live in what we call our little piece of paradise" and says "it's an honour to have been chosen 2023 parade marshall.
