Parade Marshall: Karen Cotton

The Ag Society is proud to name Karen Cotton as this year's Parade Marshall. Karen moved to the Alberta Beach area 19 years ago where she became a consequential community volunteer. Karen has volunteered for numerous organizations and events, including the Mixettes, Ag Society, Museum, BINGO, and PolyDays. Over the past 19 years Karen organized several PolyDays activities, most notably the Scavenger Hunt, Colouring Contest, and ever-popular Parade. She is passionate that communities cannot run without volunteers. The Ag Society thanks Karen for all her years of service!
